

OPTIONAL ADDITIONAL INFORMATION

Due to Employment Equality Legislation the age related question on the application form is no longer compulsory.

You will find listed below a small number of questions that would be of benefit to us during our matching process. The matching of the young person and yourself is one of the most important stages of the mentoring project and the questions below will enable us to ensure that the young person's needs are met to the best of our ability.

You may choose whether or not to answer any one or all of these questions. They are for our matching process only and will in no way determine our decision on your application to become a Volunteer Mentor. **Any information you give will remain confidential and will not be passed on to a third party without your express permission.**

If you would like us to explain in more detail why we have requested this information please do not hesitate to contact us.
